GENERAL INFORMATION

CONSTITUTIONAL BASIS OF ASSESSMENT:

The Constitution of Virginia requires all real estate to be assessed at fair market value, and uniformly with comparable properties. "Fair Market Value" is the price at which the property would sell, given a willing buyer and a willing seller, and where there is no special relationship between buyer and seller. "Uniform" means properties comparable in fair market value should be comparable in their assessed value. To meet these requirements, all property in the City of Falls Church is assessed annually and assessments are effective January 1 of each year. Administrative appeals are authorized under Sections 58.1 - 3980 and 3981 of the *Code of Virginia as amended*.

ADMINISTRATIVE APPEAL PROCESS:

Upon receipt of an appeal application, the Real Estate Assessor's Office will initiate a review of the total value of the property, to include both the land and improvement portions. Use a separate application for each parcel being appealed. Please complete this form as fully and accurately as possible. However, you may still submit an appeal application even if you are unable to answer all of the questions on this form. Market (sales) data and the assessments of comparable properties will be given the most consideration. The assessment of all properties reviewed as a result of this appeal may be affirmed or adjusted upward or downward to establish a fair and equitable assessment of the property. You will be provided with a written notification of the results of the review.

The deadline for filing is July 6, 2007. **Property owners applying to the BOE must file by July 6, 2007, regardless of the status of their appeal to the Real Estate Assessor's Office.**
